NOT-FOR-PROFIT/GOVT ORGANIZATIONAL MEMBERSHIP INFO

Having your organization join TAE at this level allows your site to access the full range of services available on the Texas Online EE Community. Posting a member profile, and listing events & programs is a membership benefit available **only** to organizational members.

Benefits and Services

There are many benefits to TAE membership, but to our members, an important benefit is the opportunity to support something you believe in – environmental education in Texas!! TAE volunteers work hard to move environmental education forward in this state and we need your support to continue this wonderful momentum

Online Texas EE Directory

Join Texas EE organizations promoting their programs and events on the Texas Online EE Directory. This directory is available to a broad stakeholder group across the state of Texas. Organizational members can post materials, resources, events, and more on our new one-stop source for EE in Texas. Take advantage of the marketing and networking venue to further your mission and programs.

Conferences

Organizational members may receive reduced conference registration rates to our Annual Fall Conference and other TAE sponsored events focused on professional development for environmental education.

Networking and List Serve

Communicate and stay informed by being part of the TAE List Serve. Receive updates from NAAEE, info on upcoming workshops and regional EE events. This list serve will be available and online by May 2009

Announcements

Periodic environmental education e-updates will be available as well as announcements of upcoming environmental education events and EE job listings.

Posting EE Job Listings will be available in May, 2009 and will be included in the national NAAEE database.

Newsletter

“The Leaflet” is the quarterly published publication of TAE. Each organizational member may receive up to 5 newsletters mailed to one central address for distribution within your organization’s office.
